FOR COMPENSATION FOR SERVICES RENDERED AND REIMBURSEMENT OF
EXPENSES AS CORPORATE COMMUNICATIONS PROFESSIONALS RETAINED
BY THE DEBTOR FOR THE PERIOD FROM JANUARY 1, 2014 THROUGH

REQUIREMENTS OF LOCAL BANKRUPTCY RULE 2016-2**

Sitrick And Company ("Sitrick"), retained as corporate communications and public relations consultants to the above-captioned debtor and debtor-in-possession (the "Debtor"), hereby submits by and through undersigned counsel this application (the "Application") seeking allowance of compensation and reimbursement of fees and expenses under sections 330 and 331 of title 11 of the United States Code (the "Bankruptcy Code"), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 2016-2 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware (the "Local Bankruptcy Rules") for the period from January 1, 2014 through January 31, 2014, and represents as follows:

² The last four digits of the Debtor's taxpayer identification number are 2730. The Debtor's corporate headquarters are located at 13000 Deerfield Parkway, Building 200, Milton, Georgia 30004.

JURISDICTION

1. This Court has jurisdiction to consider this Application under 28 U.S.C. §§ 157 and 1334.
2. This is a core proceeding under 28 U.S.C. § 157(b).
3. Venue of this case and this Application in this district is proper under 28 U.S.C. §§ 1408 and 1409.
4. The legal predicates for the relief requested herein are Bankruptcy Code sections 330 and 331, Bankruptcy Rule 2016 and Local Bankruptcy Rule 2016-2.

BACKGROUND

5. On June 10, 2013 (the "Petition Date"), the Debtor commenced this case by filing a petition for relief under Chapter 11 of the Bankruptcy Code (collectively, the "Chapter 11 Case").
6. The factual background regarding the Debtor, including its business operations, its capital and debt structure, and the events leading to the filing of the Chapter 11 Case, is set forth in the *Declaration of Phillip A. Damaska in Support of Chapter 11 Petition and First Day Pleadings*, filed on the Petition Date and fully incorporated herein by reference.

RETENTION OF SITRICK

7. On June 19, 2013, the Debtor applied to the Court for an order authorizing it to retain Sitrick as corporate communications and public relations consultants to the Debtor pursuant to an engagement agreement dated April 26, 2013 (the "Engagement Agreement"), effective as of the Petition Date.

8. On July 9, 2013, the Court entered an order (the "Retention Order") authorizing the Debtor to employ Sitrick effective as of the Petition Date, in accordance with the provisions of the Retention Order and Engagement Agreement. *See* Docket No. 281.

INTERIM COMPENSATION ORDER

9. On July 11, 2013, the Court entered an Order Pursuant to Bankruptcy Code sections 105(a) and 331, and Local Bankruptcy Rule 2016-2 Establishing Interim Compensation Procedures (the "Interim Compensation Order") [Docket No. 330], which sets forth the procedures for interim compensation and reimbursement of expenses for all non-ordinary course professionals in this case.

10. In particular, the Interim Compensation Order provides that a Professional may file and serve a Monthly Fee Application on or after the twenty-fifth (25th) day of each month following the month for which compensation is sought.

11. Provided that there are no objections to the Monthly Fee Application filed within twenty-one (21) days after the service of a Monthly Fee Application, the Professional may file a certificate of no objection with the Court, after which the Debtor is authorized to pay such Professional eighty percent (80%) of the fees and one-hundred percent (100%) of the expenses requested in such Monthly Fee Application.

12. If an objection to the Monthly Fee Application is filed, then the Debtor is authorized to pay 80% of the fees and 100% of the expenses not subject to an objection.

SUMMARY OF SERVICES RENDERED

13. Sitrick is one of the nation's leading public relations firms. Sitrick is a full-service independent global public relations firm with approximately 50 professionals collaborating across its Los Angeles, New York, San Francisco and Washington D.C. offices. Sitrick has been ranked as one of the top strategic communications companies in the nation and has emerged as a leader in corporate reputation management, with extensive experience in both out-of-court restructurings and complex Chapter 11 cases.

14. Formed in 1989, Sitrick specializes in addressing sensitive business situations that require communications strategies targeted to a variety of constituencies, including customers, employees, vendors, shareholders, bondholders, and the media. Sitrick has substantial experience providing corporate communications services to large companies in connection with both in and out-of court restructurings.

15. Since the Petition Date, Sitrick has rendered corporate communications consulting and related services to the Debtor as needed throughout the course of this case. In particular, Sitrick has performed, among others, the following services:

- (a) Developing and implementing communications programs and related strategies and initiatives for communications with the Debtor's key constituencies (including customers, employees, vendors, bondholders, related key constituencies, and the media) regarding the Debtor's operations and progress through the Chapter 11 process;
- (b) Developing public relations initiatives for the Debtor to maintain public confidence and internal morale during the Chapter 11 process;
- (c) Preparing press releases and other public statements for the Debtor, including statements relating to major Chapter 11 events;
- (d) Preparing other forms of communication to the Debtor's key constituencies and the media;

- (e) Developing and maintaining a website containing communications materials for various constituencies regarding the restructuring; and
- (f) Perform such other communications consulting services as may be requested by the Debtor.

16. Sitrick's professionals have expended a total of 7.20 hours in connection with this case during the Application Period.

17. Sitrick is seeking compensation equal to eighty percent (80%) of the \$2,359.00 in fees for professional services rendered by Sitrick during the Application Period, for a total of \$1,887.20. This amount is derived solely from the applicable hourly billing rates of the Sitrick personnel who rendered such services to the Debtor. A summary of charges is attached hereto as **Exhibit A**, and time detail is attached hereto as **Exhibit B**.

18. Sitrick also requests reimbursement of one hundred percent (100%) of the actual and necessary out-of-pocket disbursements and charges incurred during the Application Period, equal to \$5,765.46. The expense detail is attached hereto as **Exhibit C**.

19. Sitrick has attempted to include in this Application all time and expenses relating to the Application Period. Delays in processing such time and receiving invoices for certain expenses, however, do occur. Accordingly, Sitrick reserves the right to supplement this Application. This Application is also made without prejudice to Sitrick's right to seek a final allowance of compensation in the future.

20. Sitrick has received no promise of payment for professional services rendered or to be rendered in this case other than in accordance with the provisions of the Bankruptcy Code.

ALLOWANCE OF COMPENSATION

21. Bankruptcy Code section 330 authorizes the Court to award "reasonable compensation for actual, necessary services rendered by the . . . professional person" 11 U.S.C. § 330. In order to evaluate a request for allowance of fees by a professional person, a court must determine whether the services rendered were actual and necessary and the fees requested are reasonable. Sitrick respectfully submits that its request for a monthly award of compensation for the Application Period satisfies that standard.

22. Because of the benefits realized by the Debtor, the nature of this case, the reputation of Sitrick and its professionals who rendered services, the amount of work done, the time consumed, the skill required and the contingent nature of the compensation, Sitrick requests that it be allowed at this time compensation for eighty percent (80%) of the value of the professional services rendered during the Application Period, for a total of \$1,887.20.

23. Sitrick will return to this Court seeking reimbursement for the remaining twenty percent (20%) of the value of professional services rendered during the Application Period, totaling \$471.80, and reserves the right to seek payment for work performed or expenses incurred during the Application Period but not yet reflected in the Firm's time records or to amend the amounts listed herein to correct any bookkeeping errors. In the event that a subsequent review reveals that additional professional services have been rendered or expenses have been incurred on behalf of the Debtor during the Application Period, which were not processed by the Firm's accounting system before the time of this Application, Sitrick reserves the right to seek such additional fees and expenses by subsequent application to the Court.

24. Sitrick achieved cost efficiencies by employing a streamlined case management structure. Instead of assigning various professionals to the myriad tasks that have

arisen since the Petition Date, Sitrick designated a core group of professionals who were assigned responsibility for specific matters and types of matters. This (i) allowed certain professionals to work almost exclusively on discrete matters in the Debtor's case, (ii) permitted the case to be staffed at the appropriate experience level, and (iii) enabled Sitrick to avoid performing duplicative or unnecessary work.

25. Sitrick further reserves the right to request additional compensation at a later date for time spent preparing this Application.

26. Other than between Sitrick and its shareholders and professionals, no agreement or understanding exists between Sitrick and any other person or persons for the sharing of compensation received or to be received for professional services rendered in or in connection with this case, nor will any be made except as permitted pursuant to Bankruptcy Code Section 504(b)(1).

REIMBURSEMENT OF EXPENSES

27. As stated above, complete descriptions of each expense incurred during the Chapter 11 Case are attached hereto as Exhibit C. Additionally, charts summarizing the expenses for the Application Period are included at the front of this Application. Sitrick's policy requires all professionals to retain and submit for review receipts and/or invoices for all disbursements incurred through outside vendors. Sitrick maintains all receipts and/or invoices related to each client's disbursement account in a central storage facility, and such records can be produced upon request.

28. Sitrick has disbursed and requests reimbursement of \$5,765.46 which represents actual, necessary expenses incurred in the rendition of professional services in this case.

To the extent that the Application does not comply in all respects with the requirements of Local Bankruptcy Rule 2016-2, counsel believes that such deviations are not material and respectfully requests that any such requirement be waived.

WHEREFORE, Sitrick respectfully requests approval and payment of (a) monthly compensation for professional services rendered as corporate communications and public relations consultants to the Debtor in the sum of \$1,887.20 for eighty percent (80%) of the fees incurred during the Application Period; (b) reimbursement of actual and necessary expenses incurred in the sum of \$5,765.46; and (c) such other and further relief as is just and proper.
