**Obj. Due: November 20, 2014 at 4:00 p.m.

**THIRD INTERIM APPLICATION OF ERM CONSULTING & ENGINEERING
INC. FOR COMPENSATION FOR SERVICES RENDERED AND
REIMBURSEMENT OF EXPENSES AS ENVIRONMENTAL CONSULTANTS
RETAINED BY THE DEBTOR FOR THE PERIOD FROM
JUNE 1, 2014 THROUGH AUGUST 31, 2014**

ERM Consulting & Engineering Inc. ("ERM"), retained environmental consultants to the above-captioned debtor and debtor-in-possession (the "Debtor"), hereby submits this application (the "Interim Fee Application") seeking allowance of compensation and reimbursement of fees and expenses under sections 330 and 331 of title 11 of the United States Code (the "Bankruptcy Code"), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 2016-2 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware (the "Local Bankruptcy Rules") for the period from June 1, 2014 through August 31, 2014 (the "Interim Application Period"), and represents as follows:

1. This Court has jurisdiction to consider this Interim Fee Application under 28 U.S.C. §§ 157 and 1334.
2. This is a core proceeding under 28 U.S.C. § 157(b).

¹ The last four digits of the Debtor's taxpayer identification number are 2730. The Debtor's corporate headquarters are located at 13000 Deerfield Parkway, Building 200, Milton, Georgia 30004.

3. Venue of this case and this Interim Fee Application in this district is proper under 28 U.S.C. §§ 1408 and 1409.

4. The legal predicates for the relief requested herein are Bankruptcy Code sections 330 and 331, Bankruptcy Rule 2016 and Local Bankruptcy Rule 2016-2.

BACKGROUND

5. On June 10, 2013 (the "Petition Date"), the Debtor commenced this case by filing a petition for relief under Chapter 11 of the Bankruptcy Code (collectively, the "Chapter 11 Case").

6. The factual background regarding the Debtor, including its business operation, its capital and debt structure, and the events leading to the filing of the Chapter 11 Case, is set forth in the *Declaration of Phillip A. Damaska in Support of Chapter 11 Petition and First Day Pleadings*, filed on the Petition Date and fully incorporated herein by reference.

RETENTION OF ERM

7. On January 30, 2014, the Debtor applied to the Court for an order authorizing it to retain ERM as environmental consultants to the Debtor pursuant to an engagement agreement dated January 28, 2014 (the "Engagement Agreement").

8. On February 19, 2014, the Court entered an order (the "Retention Order") authorizing the Debtor to employ ERM *nunc pro tunc* to January 6, 2014, in accordance with the provisions of the Retention Order and Engagement Agreement. *See* Docket No. 1414.

INTERIM COMPENSATION ORDER

9. On July 11, 2013, the Court entered an Order Pursuant to Bankruptcy Code Sections 105(a) and 331, and Local Bankruptcy Rule 2016-2 Establishing Interim Compensation Procedures (the "Interim Compensation Order") [Docket No. 330], which sets forth the procedures for interim compensation and reimbursement of expenses for all non-ordinary course professionals in this case.

10. The Interim Compensation Order provides that when seeking compensation, professionals must submit monthly fee statements to certain notice parties. Each person receiving a statement has 21 days after its receipt to review. If no objection to monthly fee statement is made, the Debtor is authorized to pay 80% of the fees requested (with the remaining 20% of the fees requested referred to herein as the "Holdback") and 100% of the charges and disbursements requested. ERM has submitted monthly fee statements for each of the months covered by the Interim Application Period. ERM is now requesting payment of the Holdback for the Interim Application Period, in the amount of \$721.50.

SUMMARY OF SERVICES RENDERED

11. ERM is a leading global provider of environmental, health, safety, risk, social consulting services and sustainability related services. ERM has over 150 offices in 40 countries and territories employing more than 5,000 people. For over 40 years, ERM has been working with clients around the world and in diverse industry sectors to help them to understand and manage their environmental, health, safety, risk and social impacts. The key sectors ERM serves include Oil & Gas, Mining, Power, Manufacturing, Chemical and Pharmaceutical.

12. Since January 6, 2014, ERM has rendered environmental consulting and related services to the Debtor as needed. In particular, ERM has performed, among others, the following services:

- (a) Assess current status and potential treatment of idle sites as part of company reorganization;
- (b) Complete internal conference calls and calls with Debtor and Debtor's counsel on specific sites, site specific consultants and other environmental consultants in these cases;
- (c) Manage an FTP site for third party access;
- (d) Manage budgets and invoices; and
- (e) Perform support tasks including scanning, graphics support, invoicing and quality assurance.

13. ERM's professionals have expended a total of 320.50 hours in connection with this case during the Interim Application Period.

14. ERM is seeking approval of \$3,607.50 in fees for professional services rendered by ERM during the Interim Application Period, including \$721.50, which constitutes the 20% Holdback pursuant to the Interim Compensation Order. This amount is derived solely from the applicable hourly billing rates of the ERM personnel who rendered such services to the Debtor. A summary of charges is attached hereto as Exhibit A.

15. ERM is seeking approval of \$2,597.50 in expenses incurred during the Interim Application Period.

16. ERM has attempted to include in this Interim Fee Application all time and expenses relating to the Interim Application Period. Delays in processing such time and receiving invoices for certain expenses, however, do occur. Accordingly, ERM

reserves the right to supplement this Interim Fee Application. This Interim Fee Application is also made without prejudice to ERM's right to seek a final allowance of compensation in the future.

17. ERM has received no promise of payment for professional services rendered or to be rendered in this case other than in accordance with the provisions of the Bankruptcy Code.

ALLOWANCE OF COMPENSATION

18. Bankruptcy Code section 330 authorizes the Court to award "reasonable compensation for actual, necessary services rendered by the ... professional person" 11 U.S.C. § 330. In order to evaluate a request for allowance of fees by a professional person, a court must determine whether the services rendered were actual and necessary and the fees requested are reasonable. ERM respectfully submits that its request for an interim award of compensation for the Interim Application Period satisfies that standard.

19. Because of the benefits realized by the Debtor, the nature of this case, the reputation of ERM and its professionals who rendered services, the amount of work done, the time consumed, the skill required and the contingent nature of the compensation, ERM requests that it be allowed compensation for the value of the professional services rendered during the Interim Application Period, for a total of \$3,607.50.

20. ERM reserves the right to seek payment for work performed or expenses incurred during the Interim Application Period but not yet reflected in the ERM time records or to amend the amounts listed herein to correct any bookkeeping errors. In

the event that a subsequent review reveals that additional professional services have been rendered or expenses have been incurred on behalf of the Debtor during the Interim Application Period, which were not processed by ERM's accounting system before the time of this Interim Fee Application, ERM reserves the right to seek such additional fees and expenses by subsequent application to the Court.

21. ERM achieved cost efficiencies by employing a streamlined case management structure. Instead of assigning various professionals to the myriad tasks that have arisen, ERM designated a core group of professionals who were assigned responsibility for specific matters and types of matters. This (i) allowed certain professionals to work almost exclusively on discrete matters in the Debtor's case, (ii) permitted the case to be staffed at the appropriate experience level, and (iii) enabled ERM to avoid performing duplicative or unnecessary work.

22. ERM further reserves the right to request additional compensation at a later date for time spent preparing this Interim Fee Application.

23. Other than between ERM and its professionals, no agreement or understanding exists between ERM and any other person or persons for the sharing of compensation received or to be received for professional services rendered in or in connection with this case, nor will any be made except as permitted pursuant to Bankruptcy Code section 504(b)(1).

REIMBURSEMENT OF EXPENSES

24. Complete descriptions of each expense incurred during the Interim Application Period are attached hereto as Exhibit B. Additionally, a chart summarizing the expenses for the Interim Application Period is included at the front of this Interim Fee

Application. ERM's policy requires all professionals to retain and submit for review receipts and/or invoices for all disbursements incurred through outside vendors. ERM maintains all receipts and/or invoices related to each client's disbursement account in a central storage facility, and such records can be produced upon request.

25. ERM has disbursed and requests reimbursement of \$2,597.50, which represents actual, necessary expenses incurred in the rendition of professional services in this case.

NOTICE

26. ERM has provided notice of this Interim Fee Application to the following parties (collectively, the "Notice Parties"): (i) the Debtor, Exide Technologies, 13000 Deerfield Parkway, Building 200, Milton, Georgia 30004, Attn: Phillip A. On behalf of ERM, Carla Weinpahl certifies that it has reviewed the requirements of Local Bankruptcy Rule 2016-2 and that the Interim Fee Application substantially complies with that Local Bankruptcy Rule. To the extent that the Interim Fee Application does not comply in all respects with the requirements of Local Bankruptcy Rule 2016-2, Carla Weinpahl believes that such deviations are not material and respectfully requests that any such requirement be waived.
