20. In accordance with the Vernon Tort Claims Term Sheet, the Trust continues to proceed with the Recovery Litigation. As described previously, the Trustee filed a complaint in the United States District Court for the Central District of California against certain of the Debtor's insurance carriers and certain other named defendants seeking, among other things, a judicial determination and declaration as to the Trust's rights and obligations under certain insurance policies issued by the insurance carriers to Exide Technologies and its predecessor, the Debtor, and certain other relief. On July 30, 2018, the court entered an order granting certain insurance carriers' phase one motions for summary judgment regarding certain alleged

exclusions under the insurance policies. On January 4, 2019, the court entered an order granting the remaining insurance carriers' phase two motions for summary judgment regarding other alleged exclusions under the remaining insurance policies. The Trust has filed a notice of appeal of this ruling.

21. The Trust is also plaintiff in certain actions pending before the Superior Court for the State of California, County of Los Angeles, and consolidated under the case captioned *Aguirre, et al. v. Exide Technologies, et al.*, Case No. BC567401. The Trust continues to prosecute these actions against the named defendants.

22. Finally, as previously noted, the Trustee participated in court-approved mediation with counsel for certain insurance carriers in respect of litigation commenced by Allied World National Assurance Company ("Allied") in the United States District Court for the District of Delaware. The Trustee, Allied, and the five director defendants reached a confidential settlement resolving, among other things, Allied's coverage obligations under its D&O policy. The parties documented the confidential settlement agreement effective as of September 24, 2018. As a result of the confidential settlement, the Allied lawsuit was stayed by order of the Delaware District Court on November 13, 2018. In November 2018, a motion for determination that the settlement agreement was reached in good faith was granted by the Superior Court for the State of California, County of Los Angeles.
