The Trustee may conduct the affairs of the Trust under the name of the “Exide Creditors’ Liquidating Trust.” The sole purpose of the Trust is the liquidation and distribution of the GUC Trust Assets in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. The Trust shall engage only in activities reasonably necessary to, and consistent with the liquidating purpose of the trust.

2.2 Transfer of Assets. Pursuant to sections 1123(a)(5)(B) and 1123(b)(3)(B) of the Bankruptcy Code and in accordance with the Plan and Confirmation Order, the Settlor hereby grants, releases, assigns, conveys, transfers and delivers, on behalf of the Beneficiaries, all of the Settlor's right, title and interest in the GUC Trust Assets to the Trust as of the Effective Date in trust for the benefit of the Beneficiaries, free and clear of any and all Liens, Claims, Encumbrances, and Interests (legal, beneficial, or otherwise) of all other Entities to the maximum extent contemplated by and permissible under the Plan, the Confirmation Order, or section 1141(c) of the Bankruptcy Code for the uses and purposes as specified in this Agreement.

2.3 Tax Treatment. It is intended that the Trust be classified for federal income tax purposes as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code. In furtherance of this objective, the Trustee shall, in its business judgment, endeavor in good faith not to unduly prolong the duration of the Trust. For all federal income tax purposes, all parties (including the Debtor, Reorganized Debtor, the Trustee, and the Beneficiaries) shall treat the transfer of the GUC Trust Assets allocable to the Beneficiaries as a transfer to such Beneficiaries of their proportionate interests in the GUC Trust Assets followed by a transfer by such Beneficiaries of such interests in the GUC Trust Assets to the Trust in exchange for beneficial interests in the Trust. All such Beneficiaries shall use the valuation of the GUC Trust Assets transferred to the Trust as established by the Trustee for all federal income tax purposes. If the Trustee determines, with the advice of counsel, that the Trust is required to comply with registration and/or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), or the Investment Company Act, then the Trustee shall take any and all actions to comply with such registration and reporting requirements, if any, and file reports with the Securities and Exchange Commission to the extent required by applicable law. Notwithstanding the foregoing procedure, nothing herein shall be deemed to preclude the Trustee from amending this Agreement to make such changes as are deemed necessary or appropriate by the Trustee, with the advice of counsel, to ensure that the Trust is not subject to registration and/or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act or the Investment Company Act, except that no amendment to this Agreement may be made which would not be permitted by Article X of this Agreement. The Beneficial Interests do not and shall not be deemed to constitute securities of the Debtor or the Reorganized Debtor.

2.5 Capacity of Trust. Notwithstanding any state or federal law to the contrary or anything herein, the Trust shall itself have the capacity, in its own right and name, to act or refrain from acting, including the capacity to sue and be sued and to enter into contracts. The

Trust may alone be the named movant, respondent, party plaintiff or defendant, or the like in all adversary proceedings, contested matters, and other state or federal proceedings brought by or against it, and may settle and compromise all such matters in its own name.

2.6 GUC Trust Cash Contribution. On the Effective Date, and in accordance with the Plan, the Debtor or Reorganized Debtor shall deposit Cash in the amount of \$3,000,000.00 into the Trust by wire transfer, representing the GUC Trust Cash Contribution.

Until the Final Preference Repayment Date, the Trustee shall (i) make quarterly payments of Net Proceeds of GUC Trust Preference Actions to the Reorganized Debtor provided that there are at least \$250,000 Net Proceeds of GUC Trust Preference Actions available at such time (except for the payment made on the Final Preference Repayment Date, which can be less than \$250,000) and (ii) provide a quarterly report to the Reorganized Debtor of all Net Proceeds on account of GUC Trust Preference Actions. For the avoidance of doubt, the GUC Trust Cash Contribution shall not be fully repayable if Net Proceeds on account of the GUC Trust Preference Actions are less than \$3,000,000.00.

2.8 Safekeeping of GUC Trust Assets. All GUC Trust Assets shall, until distributed as provided herein, be held in trust for the benefit of the Beneficiaries in accordance with the Plan and this Agreement. The Trustee shall be under no liability for interest or producing

Without limiting the generality of the foregoing, the members of the GUC Trust Board shall not be liable to any Entity for, among other things, losses, claims, damages, liabilities or expenses by reason of any error of judgment made in good faith, or with respect to any action taken or omitted to be taken in good faith, except to the extent that the action taken or omitted to be taken is determined by a Final Order to be due to their own fraud, gross negligence, or willful misconduct, provided that none of the members of the GUC Trust Board shall be responsible for any other actions or inactions by any other member, the Trustee, the Trust or any of the Covered Persons. Every act done, power exercised or obligation assumed by the GUC Trust Board or its members shall be held to be done, exercised or assumed, by the Trust and acting for and on behalf of the Trust and not otherwise. All Entities shall have recourse only to the GUC Trust Assets for payment of any liabilities or other obligations and the members of the GUC Trust Board shall not be individually liable therefor. The members of the GUC Trust Board shall not be liable whatsoever except for the performance of such duties and obligations as are specifically set forth herein, and no implied

covenants or obligations shall be read into this Trust Agreement against the members of the GUC Trust Board.

The members of the GUC Trust Board shall be, and hereby are, exculpated by all Entities, including the Beneficiaries and other parties in interest in the Chapter 11 Case, from any and all claims, causes of action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon them by the Plan, this Agreement, or any Order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Plan, or applicable law, except for actions or omissions to act that are determined by a Final Order to be due to their own fraud, gross negligence, or willful misconduct. To the fullest extent permitted by applicable law, the Trust shall: (i) indemnify, defend, and hold harmless the members of the GUC Trust Board from and against any and all losses, claims, damages, liabilities and expenses, including, without limitation, reasonable attorneys' fees, disbursements and related expenses that they may incur or to which they may become subject (directly or indirectly) in connection with their actions or inactions in their capacities as such or otherwise in connection with the affairs of the Trust to the full extent permitted by law (whether or not in connection with litigation in which they are a party, or enforcing this Agreement (including these exculpation/indemnity provisions)) except for actions or inactions determined by Final Order involving fraud, willful misconduct, or gross negligence; and (ii) the members of the GUC Trust Board shall be entitled to obtain advances from the Trust promptly to cover their reasonable fees and expenses incurred in defending, participating in or settling any such actions or inactions. Any action taken or omitted to be taken with the express approval of the Bankruptcy Court will conclusively be deemed not to constitute fraud, gross negligence, or willful misconduct. The foregoing exculpation/indemnity shall survive the termination of such GUC Trust Board

members from the capacity for which they are exculpated/indemnified. The members of the GUC Trust Board may rely, and shall be protected from liability for acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order or other paper or document reasonably believed by them to be genuine and to have been presented by an authorized party. The members of the GUC Trust Board shall have no liability for any action taken or not taken in reasonable reliance upon the advice of counsel or other professionals engaged by them or the Trust in accordance with this Agreement.

If a GUC Trust Board member does not voluntarily recuse itself from any such matter, that member may be recused from such matter by the unanimous vote of the remaining members of the GUC Trust Board that are not recused from the matter. In such event, (i) a unanimous affirmative vote of the non-recused members of the GUC Trust Board shall be required to constitute an act of the GUC Trust Board, and (ii) the recused member of the GUC Trust Board may challenge such vote, and the vote which resulted in the involuntary recusal of the GUC Trust Board member, and the Bankruptcy Court shall have jurisdiction to adjudicate such matter.

Distribution, and any such forfeited amounts shall be distributed to the remaining Beneficiaries in accordance with the Plan and the allocation and distribution formulas included in the GUC Trust Settlement Agreement. Notwithstanding the foregoing, each individual holder of a Senior Notes Deficiency Claim or Subordinated Notes Claim is not required to provide the Trustee with an IRS Form W-9 or IRS Form W-8 and, instead, this requirement shall be deemed satisfied by the receipt of either an IRS Form W-9 or IRS Form W-8 from the DTCC.

5.2 Rights of Beneficiaries. Each Beneficiary shall take and hold its beneficial interest in the Trust subject to all of the terms and provisions of this Agreement and the Plan. A Beneficiary shall have no title or right to, or possession, management, or control of, the GUC Trust Assets except as may expressly provide herein. No surviving spouse, heir, or devisee of any deceased Beneficiary shall have any right of dower, homestead, inheritance, partition, or any other right, statutory or otherwise, in the GUC Trust Assets, and their sole interest shall be the rights and benefits given to the Beneficiaries under this Agreement.

5.3 Limit on Transfers. The interests of the Beneficiaries in the Trust shall be uncertificated, and shall be reflected only on the books and records of the Trust maintained by the Trustee. Such interests are not negotiable and not transferable except (a) pursuant to applicable laws of descent and distribution (in the case of a deceased individual Beneficiary) or (b) by operation of law. The Trustee shall not be required to record any transfer which, in the Trustee's sole discretion, may be construed to create any uncertainty or ambiguity as to the identity of the holder of the interest in the Trust. Until a transfer is, in fact, recorded on the books and records maintained by the Trustee for the purpose of identifying Beneficiaries, the

Trustee, whether or not in receipt of documents of transfer or other documents relating to the transfer, may nevertheless make distributions and send communications as though he or she has no notice of any such transfer, and in so doing the Trustee shall be fully protected and incur no liability to any purported transferee or any other Entity.

5.4 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to a Trust Claim of a Beneficiary, the Trustee shall be entitled, in his or her sole election, to refuse to comply with any such conflicting claims or demands. In so refusing, the Trustee shall (i) make no payment or Distribution with respect to the Trust Claim represented by the claims or demands involved, or any part thereof, and (ii) refer such conflicting claims and demands to the Bankruptcy Court, which shall have exclusive jurisdiction over the resolution of such conflicting claims or demands. In so doing, the Trustee shall not be liable to any party for his refusal to comply with any such conflicting claims or demand. The Trustee shall be entitled to refuse to comply with conflicting claims and demands until either (a) the rights of the adverse claimants have become adjudicated by a Final Order of the Bankruptcy Court or (b) the conflict has been resolved by a written agreement among such parties and the Trustee, which agreement shall include a complete release of the Trust and the Trustee with respect to the subject matter of the dispute.

ARTICLE VI

THIRD PARTY RIGHTS AND LIMITATION OF LIABILITY

6.1 Parties Dealing With the Trustee. In the absence of actual knowledge to the contrary, any person dealing with the Trust or the Trustee shall be entitled to rely on the authority of the Trustee or any of the Trustee's agents to act in connection with the GUC Trust

Assets. There shall be no obligation on any Entity dealing with the Trustee to inquire into the validity, expediency or propriety of any transaction by the Trustee or any agent of the Trustee.

6.2 Limited Recourse. Entities (including any professionals retained by the Trustee in accordance with this Agreement) engaged in transactions with the Trust, the Trustee or members of the GUC Trust Board shall look only to the GUC Trust Assets to satisfy any liability incurred in connection with carrying out the terms of this Agreement.

6.3 Non-Liability for Acts of Others. The Trustee or the GUC Trust Board may, in connection with the performance of their functions, and in their sole and absolute discretion, consult with its attorneys, accountants, financial advisors and agents, and shall not be liable for any act taken, omitted to be taken, or suffered to be done in good faith reliance upon the advice or opinions rendered by such persons, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, neither the Trustee nor the GUC Trust Board shall be under any obligation to consult with attorneys, accountants, financial advisors or agents, and their determination not to do so shall not result in the imposition of liability on the Trustee or the GUC Trust Board or their respective members and/or designees, unless such determination is based on fraud, willful misconduct, or gross negligence. Nothing contained in this Agreement, the Plan, the Confirmation Order, or the GUC Trust Settlement Agreement shall be deemed to be an assumption by the Trustee of any of the liabilities, obligations, or duties of the Debtor, the Reorganized Debtor, or Beneficiaries or a covenant or agreement by the Trustee to assume or accept any such liability, obligation or duty. Any successor Trustee may accept and rely upon any accounting made by or on behalf of any predecessor Trustee hereunder, and any statement or representation made by a predecessor Trustee or its agents as to the GUC Trust Assets or as to any other fact bearing upon the prior administration of the Trust, so long as it has

a good faith basis to do so. A successor Trustee shall not be liable for having accepted and relied in good faith upon any such accounting, statement, or representation if it is later proved to be incomplete, inaccurate, or untrue. A successor Trustee shall not be liable for any act or omission of any predecessor Trustee, nor have a duty to enforce any claims against any predecessor Trustee on account of any such act or omission.

6.4 **Confirmation of Survival of Provisions.** Without limitation in any way of any provision of this Agreement, the provisions of this Article VI shall survive the death, dissolution, liquidation, resignation, replacement, or removal, as may be applicable, of the Trustee or member of the GUC Trust Board, or the termination of the Trust or this Agreement, and shall inure to the benefit of the Trustee's and the GUC Trust Board member's respective heirs, successors, and assigns.

ARTICLE VII

DISTRIBUTIONS

7.1 **Location for Distributions;** Notice of Change of Address. Distributions to the Beneficiaries shall be made by the Trustee to the Beneficiaries (a) at the addresses set forth on the Claims Register delivered to the Trustee in accordance with Section 5.1 of this Agreement, or (b) at the addresses set forth in any written notices of address changes delivered to the Trustee after the Effective Date. The Trustee is not obligated to make any effort to determine the correct address of any Beneficiary.

7.2 **Timing of Distributions.** Except as set forth in section 7.6(d) and subject to section 3.11(c), at least annually, commencing no later than the first anniversary of the Effective Date, in accordance with the allocation and distribution formulas included in the GUC Trust Settlement Agreement, and with the approval of the GUC Trust Board, the Trustee shall make

Distributions to the Beneficiaries of (i) all Net Proceeds, if any, from the sale of assets, (ii) all of the Trust's net income, if any, and (iii) all Cash on hand (including, but not limited to, Cash received from the Debtor or Reorganized Debtor on the Effective Date, and treated as Cash for purposes of this section, and from any permitted investments), less amounts that (i) are allocated for the Disputed Claims Reserve, (ii) are reasonably necessary to satisfy current and estimated future liabilities of the Trust and to maintain the value of the GUC Trust Assets, and (iii) are reasonably necessary to pay expenses of the Trust (including, but not limited to, any taxes imposed on the Trust based on or otherwise related to any of the GUC Trust Assets and the reasonable fees and out-of-pocket expenses of the Trustee and the GUC Trust Board members). Each Distribution by the Trustee to the Beneficiaries shall be consistent with the terms set forth in the Plan, the GUC Trust Settlement Agreement, any order of the Bankruptcy Court, and this Agreement. Except as otherwise provided for in Section 2.7 of this Agreement, the Trust must pay or establish a reserve for all of its expenses before making Distributions, and all such expenses shall be a first priority charge on the GUC Trust Assets. The Trustee shall not make any Distributions to the Beneficiaries unless the Trustee retains the Disputed Claims Reserve. The Trustee shall not be required to maintain the Disputed Claims Reserve in a separate or segregated account.

7.3 Service of the Senior Notes Indenture Trustee. The Senior Notes Indenture Trustee and its respective agents, successors and assigns, and the Trustee shall facilitate the making of the Distributions to the Beneficiaries on account of their Allowed Senior Notes Deficiency Claims, in accordance with the Plan and the Senior Notes Indenture, and upon completion thereof, shall be discharged of all of its obligations associated with such Senior Notes Deficiency Claims. The Trustee shall be obligated to calculate the distributions to be made to

Beneficiaries on account of their Allowed Senior Notes Deficiency Claims and shall provide such distribution calculations and related information to the Senior Notes Indenture Trustee at least five (5) business days in advance of the Trustee making distributions to Beneficiaries on account of their Allowed Senior Notes Deficiency Claims. The Senior Notes Indenture Trustee shall only be required to act and make distributions in accordance with the Plan, and this Agreement and shall not be required to independently verify or review the calculations prepared by the Trustee with respect to distributions to be made to Beneficiaries on account of their Allowed Senior Notes Deficiency Claims, and shall have no liability for actions taken in accordance with the Plan or in reliance upon distribution information and distribution calculations provided by the Trustee, except solely for actions or omissions arising out of the Senior Notes Indenture Trustee's intentional fraud, willful misconduct, gross negligence or criminal conduct. Further, the Senior Notes Indenture Trustee shall have no obligation or liability for distributions under the Plan to any party who does not (i) hold a Claim against the Debtor as of the Distribution Record Date or (ii) otherwise comply with the terms of the Plan, except solely for actions or omissions arising out of the Indenture Trustees' intentional fraud, willful misconduct, gross negligence or criminal conduct.

7.4 Delivery of Distributions on Account of Senior Notes Deficiency Claims. Upon the occurrence of the Effective Date, the Claims of the Senior Notes Indenture Trustee for the Senior Notes Deficiency Claims shall be, for purposes under the Plan, including without limitation, the right to receive Distributions, substituted for all Trust Claims of Beneficiaries on account of their Allowed Senior Notes Deficiency Claims. Distributions on account of such Senior Notes Deficiency Claims shall be made by the Trustee to (i) the Senior Notes Indenture Trustee, (ii) with the prior written consent of the Senior Notes Indenture Trustee, by means of

book-entry exchange through the facilities of DTCC in accordance with DTCC's customary practices, or (iii) at the direction of the Senior Notes Indenture Trustee, to the Claims and Solicitation Agent for further distribution to the holders of the Senior Notes Deficiency Claims. If a Distribution is made to the Senior Notes Indenture Trustee, the Senior Notes Indenture Trustee, in its capacity as a distribution agent, shall administer the Distribution in accordance with the Plan and the applicable Indenture. Nothing herein shall be deemed to impair, waive or extinguish any right of the Senior Notes Indenture Trustee with respect to the Charging Lien against applicable Distributions.

7.5 Service of the Subordinated Notes Indenture Trustee. The Subordinated Notes Indenture Trustee and its respective agents, successors and assigns, and the Trustee shall facilitate the making of the Distributions to Beneficiaries on account of their Allowed Subordinated Notes Claims, in accordance with the Plan and the Subordinated Notes Indenture, and upon completion thereof, shall be discharged of all of its obligations associated with the Subordinated Notes Claims. The Trustee shall be obligated to calculate the Distributions to be made to Beneficiaries on account of their Allowed Subordinated Notes Claims and shall provide such distribution calculations and related information to the Subordinated Notes Indenture Trustee at least five (5) business days in advance of the Trustee making distributions on account of Allowed Subordinated Notes Claims. The Subordinated Notes Indenture Trustee shall only be required to act and make distributions in accordance with the Plan, shall not be required to independently verify or review the calculations prepared by the Trustee with respect to distributions to be made to Beneficiaries on account of their Allowed Subordinated Notes Claims, and shall have no liability for actions taken in accordance with the Plan or in reliance upon distribution information and distribution calculations provided by the Trustee, except solely

for actions or omissions arising out of the Subordinated Notes Indenture Trustee's intentional fraud, willful misconduct, gross negligence or criminal conduct. Further, the Subordinated Notes Indenture Trustee shall have no obligation or liability for distributions under the Plan to any party who does not (i) hold a Claim against the Debtor as of the Distribution Record Date or (ii) otherwise comply with the terms of the Plan, except solely for actions or omissions arising out of the Indenture Trustees' intentional fraud, willful misconduct, gross negligence or criminal conduct.

7.6 Delivery of Distributions on Account of Subordinated Notes Claims. Upon the occurrence of the Effective Date, the Claims of the Subordinated Notes Indenture Trustee shall be, for purposes under the Plan, including without limitation, the right to receive Plan distributions, substituted for all Trust Claims of Beneficiaries on account of their Allowed Subordinated Notes Claims. Distributions on account of such Subordinated Notes Claims shall be made by the Trustee to (i) the Subordinated Notes Indenture Trustee or (ii) with the prior written consent of the Subordinated Notes Indenture Trustee, by means of book-entry exchange through the facilities of DTCC in accordance with DTCC's customary practices. If a Distribution is made to the Subordinated Notes Indenture Trustee, the Subordinated Notes Indenture Trustee, in its capacity as a distribution agent, shall administer the Plan distribution in accordance with the Plan and the applicable Indenture. Nothing herein shall be deemed to impair, waive or extinguish any right of the Subordinated Notes Indenture Trustee with respect to the Charging Lien against applicable Plan Distributions.

7.7 Administration of Disbursements.

(a) Manner of Payment. At the option of the Trustee, any Cash payment to be made hereunder may be made by a check, wire transfer or other method of payment.

(b) No Interest on Claims. Interest shall not accrue on the Beneficiaries' Trust Claims.

(c) Allocation of Plan Distributions between Principal and Interest. To the extent that any Allowed Trust Claim entitled to a Distribution hereunder consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such Distribution shall be allocated first to the principal amount of such Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of such Claim, to such other amounts.

(d) Fractional Dollars; De Minimis Distributions. The Trustee shall (i) not be required to make Distributions or payments of fractions of dollars, and whenever any Distribution of a fraction of a dollar would otherwise be required, the actual Distribution made may reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down and (ii) have no duty to make a Distribution on account of any Allowed Trust Claim on a Distribution Date (x) if the aggregate amount of all Distributions authorized to be made on such date is less than [\$750,000], in which case such Distributions shall be deferred to the next Distribution Date, (y) if the amount to be distributed on account of an Allowed Trust Claim on the particular Distribution Date is less than \$100.00, in which case such Distributions shall be deferred to the next Distribution Date, unless such Distribution constitutes the final Distribution to be made to the Holder of such Trust Claim, or (iii) the amount of the final Distribution on account of an Allowed Trust Claim is less than \$50.00, in which case such Distribution shall revert to the Trust to be reallocated and distributed to the Beneficiaries. After final Distributions have been made in accordance with the terms of the Plan and this Agreement, if the amount of remaining cash is less than \$50,000, the Trustee, after consultation with the

GUC Trust Board, may donate such amount to a charitable institution to be selected by the Trustee.

(e) Compliance with Laws. Any and all Distributions hereunder shall be made in compliance with applicable laws, including but not limited to, applicable federal and state securities laws.

(f) Abandonment. With the approval of the GUC Trust Board, the Trustee may abandon, in any commercially reasonable manner (including abandonment or donation to a charitable organization of his or her choice), any property that the Trustee reasonably concludes is of no benefit to the Beneficiaries. For the avoidance of doubt, no notice to, or approval from the Bankruptcy Court shall be required for any such abandonment.

(g) Distribution Agents. The Trustee shall have the authority to enter into agreements with one or more distribution agents to facilitate the distributions required under the Plan and this Agreement. The Trustee may pay to such distribution agents all reasonable and documented fees and expenses of the distribution agents without the need for any approvals, authorizations, actions or consents.

7.8 Compliance with Tax Requirements. The Trustee shall be authorized to require each Beneficiary to provide it with a current executed IRS Form W-9, Form W-8, or similar tax form as a condition precedent to being sent a Distribution. The Trustee shall provide advance written notice of any such requirement to each Beneficiary affected thereby. The notice shall provide each Beneficiary with a minimum of 60 days after the date of mailing of such notice to provide a current executed Form W-9, Form W-8 or similar tax form to the Trustee and shall expressly state that a failure to provide such form within the stated period shall result in a forfeiture of the right to receive any Distribution from the Trust or the proceeds of the GUC

Trust Assets, that any such Distribution shall revert to the Trust for distribution on account of other Allowed Trust Claims and that the Allowed Trust Claim of the Beneficiary originally entitled to such Distribution shall be waived, discharged, cancelled, and forever barred without further order of the Bankruptcy Court. If a Beneficiary does not provide the Trustee with a current executed Form W-9, Form W-8 or similar tax form within the time period specified in such notice, or such later time period agreed to by the Trustee in writing in its discretion, such Beneficiary shall be deemed to have forfeited the right to receive any Distribution on account of its Allowed Trust Claim under the Plan, and any such Distribution shall revert to the Trust for Distribution on account of other Allowed Trust Claims of Beneficiaries and the Allowed Trust Claim of the Beneficiary originally entitled to such Distribution shall be waived, discharged and forever barred without further order of the Bankruptcy Court. Notwithstanding the foregoing, each individual holder of a Senior Notes Deficiency Claim or Subordinated Notes Claim is not required to provide the Trustee with an IRS Form W-9 or IRS Form W-8 and, instead, this requirement shall be deemed satisfied by the receipt of either an IRS Form W-9 or IRS Form W-8 from the DTCC.

7.9 Distributions After Allowance or Disallowance of a Disputed Trust Claim. As soon as reasonably practicable after a Disputed Trust Claim becomes an Allowed Trust Claim, the Trustee shall distribute to the Holder thereof, from the Disputed Claims Reserve, such amount as would have been distributed to such Holder if its Disputed Trust Claim had been a Trust Claim that was Allowed on the Effective Date. The Trustee shall no longer reserve for a Disputed Trust Claim and shall distribute to the Beneficiaries on the next Distribution Date, pursuant to this Agreement, their Pro Rata share of the funds held in the Disputed Claim Reserve on account of any Disputed Trust Claim that becomes Disallowed.

7.10 Undeliverable Distributions and Unclaimed Property. In the event that any Distribution of Cash to any Beneficiary is returned as undeliverable, no further Distribution to such Beneficiary shall be made unless and until the Trustee or his/her disbursing agent is notified in writing of such Beneficiary's then-current address, at which time such Distribution shall be made to such Beneficiary without interest; *provided, however*, that unless a Beneficiary asserts a claim for an undeliverable Distribution within 120 days after such Distribution is returned as undeliverable, such Distribution shall be deemed unclaimed property within the meaning of section 347(b) of the Bankruptcy Code and all title to and beneficial interest in the GUC Trust Assets represented by any such undeliverable Distributions shall be cancelled and revert to and/or remain in the Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned or unclaimed property laws to the contrary), and such undeliverable Distributions shall be distributed to the Beneficiaries on account of their Trust Claims in accordance with this Agreement and the allocation and distribution formulas included in the GUC Trust Settlement Agreement. In the event any check sent to a Beneficiary respecting a Distribution to such Beneficiary has not been cashed within six months of the date of the respective Distribution, such check shall be cancelled and such Distribution shall be deemed unclaimed property within the meaning of section 347(b) of the Bankruptcy Code, and the Trust Claims of the Beneficiaries that may have been entitled to such Distribution shall be discharged and forever barred from receiving Distributions under this Agreement. After such date, all uncashed Distributions shall become Trust property and revert to the Trust, and shall be redistributed in accordance with this Agreement to the Beneficiaries; *provided, however*, the Trustee shall file a notice on the Bankruptcy Court docket listing any such unclaimed Distributions fourteen (14) days' prior to

the date such unclaimed Distributions revert to the Trust. The Trustee may, in its sole discretion, attempt to determine a Beneficiary's current address or otherwise locate a Beneficiary, but nothing in this Agreement or the Plan shall require the Trustee to do so.

7.11 Payments Limited to GUC Trust Assets. All Distributions to be made by the Trustee to or for the benefit of any Beneficiary shall be made only from the Net Proceeds of the GUC Trust Assets.

ARTICLE VIII

REPORTING AND TAX MATTERS

8.1 Reporting and Filing Requirements. Within 60 days after December 31 of each calendar year in which the Trust shall remain in existence, the Trustee shall file a report with the Bankruptcy Court containing a list of: (i) the status of all GUC Trust Causes of Action, including any settlements entered into by the Trust, (ii) the status of any pending IP Transaction, including the proceeds, if any, received in connection with any transaction, (iii) the costs and expenses of the Trust that are incurred (including, but not limited to, any taxes imposed on the Trust or actual reasonable out-of-pocket fees and expenses incurred by professionals retained by the Trust) during the preceding calendar year and incurred since the Effective Date, and the remaining amount (if any) of the GUC Trust Cash Contribution, (iv) the amount of Cash and other assets received by the Trust during the prior calendar year and since the Effective Date, (v) total distributions of Cash and other assets made during the preceding calendar year and since the Effective Date, and the calculation of the estimated amount of Cash and other assets to be distributed on the next Distribution Date, including any Cash on hand that is part of the Disputed Claims Reserve and cannot to be distributed; (vi) all income received by the Trust during the preceding calendar year and since the Effective Date, and (vii) such other information as the

Trustee deems appropriate. The Trustee's report shall be provided to the GUC Trust Board at least five (5) Business Days prior to the filing with the Bankruptcy Court, and shall be available to any Beneficiary upon written request to the Trustee. The Trustee shall also timely prepare, file and distribute such additional statements, reports and submissions (A) as may be necessary to cause the Trust and the Trustee to be in compliance with applicable law, or (B) as may be otherwise reasonably requested from time to time by the GUC Trust Board.

8.2 Filing of Tax Returns. The Trustee shall file tax returns for the Trust as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a) and any other applicable laws or regulations, and all the Trust's income shall be treated as subject to tax on a current basis.

8.3 Preparation of Statements. To the extent reasonably practicable and unless otherwise ordered by the Bankruptcy Court, the Trustee shall, in conjunction with filing the Trust's annual tax return for each calendar year in which the Trust shall remain in existence, send to each Beneficiary a grantor statement setting forth the Beneficiary's share of items of income, gain, loss, deduction, or credit and will instruct all such holders to report such items on their federal income tax returns. The Trust's taxable income, gain, loss, deduction, or credit will be allocated (subject to provisions of the Plan and Confirmation Order relating to Disputed Claims) to the Beneficiaries in accordance with their relative beneficial interests in the Trust, as determined pursuant to this Agreement and the Plan.

8.4 Allocations of Trust Taxable Income. Allocations of Trust taxable income among the Beneficiaries shall be determined by reference to the manner in which an amount of Cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Trust had distributed all its assets (valued at their tax book value) to the Beneficiaries of the Trust (treating

all Disputed Claims as if they were Allowed Claims), in each case up to the tax book value of the assets treated as contributed by such Holders, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Trust. Taxable loss of the Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining GUC Trust Assets. The tax book value of the GUC Trust Assets for this purpose shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the Tax Code, the applicable tax regulations, and other applicable administrative and judicial authorities and pronouncements.

ARTICLE IX

DISSOLUTION OF TRUST

9.1 Dissolution of Trust. The Trust shall be dissolved, in accordance with Section 9.2 hereof, no later than the fifth anniversary of the Effective Date, unless the Bankruptcy Court, upon motion filed by the Trustee, the GUC Trust Board, or any party in interest, within the six-month period prior to the fifth anniversary (or at least six months prior to the end of any extension period), determines that a fixed period extension is necessary to facilitate or complete the recovery and liquidation of the GUC Trust Assets. Any such extension shall not exceed three years, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service that any such extension would not adversely affect the status of the Trust as a liquidating trust for federal income tax purposes, such ruling only needing to be sought and forthcoming at the time of any such extension.

9.2 Dissolution Events. The Trustee shall be discharged, the Trust shall be dissolved, and the Trust Claims shall be cancelled at such time as (i) the Trustee and the GUC Trust Board

determine that the administration of the Trust is not likely to yield sufficient additional proceeds to justify further pursuit of any remaining GUC Trust Causes of Action, and (ii) all Distributions required to be made by the Trustee under the Plan and this Agreement have been made. If at any time the Trustee determines, after consultation with and approval by the GUC Trust Board and in reliance upon such professionals as the Trustee may retain, that the expense of administering the Trust is likely to exceed the value of the assets remaining in the Trust, the Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amounts necessary to dissolve the Trust, (ii) donate any balance to a charitable organization exempt from federal income tax under Section 501(c)(3) of the Tax Code, and (iii) dissolve the Trust.

9.3 Books and Records. The Trustee shall maintain books and records containing a description of all property from time to time constituting the GUC Trust Assets and an accounting of all receipts and disbursements. Said books and records shall be open to inspection by any member of the GUC Trust Board and any Beneficiary at any reasonable time during normal business hours and after reasonable advance notice. The Trustee shall furnish to any Beneficiary upon written request an annual statement of receipts and disbursements, including a summary of all income and expenses of the GUC Trust. All books and records, including copies, received from the Reorganized Debtor may be disposed of by the Trustee at the later of (i) such time as the Trustee determines that the continued possession or maintenance of such books and records is no longer necessary for the benefit of the Trust or its Beneficiaries and (ii) upon the dissolution and completion of the winding down of the Trust.

9.4 Post-Dissolution. Upon dissolution of the Trust and Distribution of all the GUC Trust Assets, the Trustee shall retain the books, records and files that shall have been created by the Trustee, provided that at the Trustee's discretion, all of such records and documents may be

destroyed at any time following the date of final distribution of GUC Trust Assets as the Trustee deems appropriate (unless such records and documents are necessary to fulfill the Trustee's obligations pursuant to this Agreement).

ARTICLE X

AMENDMENT AND WAIVER

10.1 Amendment; Waiver. The Trustee, with the prior written approval of a majority of the members of the GUC Trust Board, may amend, supplement, or waive any provision of this Agreement, without notice to or the consent of any Beneficiary or the approval of the Bankruptcy Court, in order to: (i) cure any ambiguity, omission, defect, or inconsistency in this Agreement; *provided*, that such amendments, supplements or waivers shall not be inconsistent with the terms of the Plan or the Confirmation Order or adversely affect the Distributions to any of the Beneficiaries or adversely affect the Federal income tax status of the Trust as a "liquidating trust"; (ii) comply with any requirements in connection with the Federal income tax status of the Trust as a "liquidating trust"; and (iii) comply with any requirements in connection with maintaining that the Trust is not subject to registration or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act, or the Investment Company Act. Any substantive provision of this Agreement may be amended or waived by the Trustee, subject to the prior written approval of all the members of the GUC Trust Board and with the approval of the Bankruptcy Court (upon notice and an opportunity for a hearing); *provided, however*, that no change may be made to this Agreement that would (a) adversely affect (i) the Reorganized Debtor in any respect (unless the Trustee receives prior written consent to such change from the Reorganized Debtor, as applicable), (ii) the allocation and distribution formulas for Distributions to any of the Beneficiaries, or (iii) the Federal income tax status of the Trust as a "liquidating

trust” or (b) expand, add to, or modify the Plan, the Confirmation Order, or original stated purpose of the Trust (as described in the Plan and this Agreement). Notwithstanding this Section 10.01, any amendments to this Agreement shall not be inconsistent with the purpose and intention of the Trust to liquidate in an expeditious but orderly manner the GUC Trust Assets in accordance with Treasury Regulation Section 301.7701- 4(d).

ARTICLE XI

MISCELLANEOUS

11.1 Jurisdiction. The Bankruptcy Court shall have exclusive jurisdiction over (a) the Trust and the Trustee with respect to the administration of and activities relating to the Trust and (b) any issues or disputes arising out of this Agreement; *provided, however*, that notwithstanding the foregoing, the Trustee shall have the power and authority to commence and prosecute, in any court of competent jurisdiction, any GUC Trust Cause of Action transferred to the GUC Trust and to the extent it is determined that the Bankruptcy Court does not have jurisdiction over a particular proceeding or matter, such proceeding or matter may be adjudicated in any court of competent jurisdiction.

11.2 Notices. Any notice or other communication hereunder shall be in writing and shall be deemed to have been sufficiently given, for all purposes, if deposited, postage prepaid, in a post office or letter box, or transmitted by email, telex, facsimile, other telegraphic means, or sent by a nationally recognized overnight delivery service, addressed to the person for whom such notice is intended at such address as set forth below or such other address as may be provided to the other parties in writing. The date of receipt of such notice shall be the earliest of (a) the date of actual receipt by the receiving party, (b) the date of personal delivery (or refusal

upon presentation for delivery), (c) on the date of the transmission confirmation, or (d) three business days after service by first class mail.

11.3 Notices if to a Beneficiary. Subject to any transfer recognized and recorded by the Trustee as set forth in Section 5.3, any notice or other communication hereunder shall be in writing and shall be deemed to have been sufficiently given, for all purposes, if deposited, postage prepaid, in a post office or letter box addressed to the person for whom such notice is intended to the name and address set forth in the case of a Beneficiary, on such Beneficiary's proof of claim (but in the event the Claim of such Beneficiary was validly transferred prior to the Distribution Record Date, to the name and address set forth in the applicable transfer notice), or if no proof of claim is filed, the address listed on the Debtor's Schedules or as listed in any other notice filed with the Bankruptcy Court and, if applicable, the Trust or such other means reasonably calculated to apprise the Beneficiary.

11.4 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of [_____], without giving effect to the rules governing the conflict of law which would require the application of the law of another jurisdiction.

11.5 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns.

11.6 No Execution. All funds in the Trust shall be deemed *in custodia legis* until such times as the funds have actually been paid to or for the benefit of a Beneficiary, and no Beneficiary or any other Entity can bind, pledge, encumber, execute upon, garnish, or attach the GUC Trust Assets in any manner or compel payment from the Trust except by Final Order of the Bankruptcy Court. Any such payment shall be governed solely by the Plan and this Agreement.

11.7 Plan and Confirmation Order. The terms of this Agreement are intended to supplement and effectuate the terms provided by the Plan and the Confirmation Order. Accordingly, to the extent that the terms of this Agreement are inconsistent with the terms set forth in the Plan, then the terms of this Agreement shall govern and control, provided, however, to the extent that the terms of this Agreement are inconsistent with the terms set forth in the Plan with respect to a matter that relates to the Senior Notes Deficiency Claim, then the terms of the Plan shall control over the terms of this Agreement only where a matter relates to the Senior Notes Deficiency Claim. To the extent that the terms of this Agreement are inconsistent with the terms set forth in the Confirmation Order, then the terms of the Confirmation Order shall govern and control. Any immaterial effectuating provisions of the Plan or this Agreement may be interpreted by the Trustee in such a manner that is consistent with the overall purpose and intent of the Plan and this Agreement all without further Bankruptcy Court order.

11.8 Severability. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants

and restrictions contained in this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

11.9 Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior and contemporaneous agreements or understandings between the parties with respect to the subject matter hereof.

11.10 Actions Taken on Other Than Business Day. In the event that any payment or act hereunder is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

11.11 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but such counterparts shall, together constitute but one and the same instrument. A facsimile or electronic mail signature of any party shall be considered to have the same binding legal effect as an original signature.

IN WITNESS WHEREOF, the parties have executed this Agreement (or are deemed to have so executed this Agreement) as of the day and year written above.
